Subject: Ukraine Business Compact 2023 - Formal Invitation

---

Delegates will find in annex the above-mentioned document.

22nd May 2023

To whom it may concern,

On behalf of Ukraine and the United Kingdom, you are cordially invited to sign the Ukraine Business Compact 2023 – a declarative and non-binding statement of international businesses' support for Ukraine's recovery.

The Ukraine Business Compact gives international businesses a platform to show their support for Ukraine's recovery. Specifically, Ukraine's impressive drive to modernise, build a resilient and agile economy, and emerge from conflict as a stronger and more prosperous state.

As a signatory, you will join companies around the world declaring your support for the recovery and reconstruction of Ukraine. This includes looking for opportunities, when the time is right, to engage in trade and investment, peer-to-peer expertise sharing, pro bono work and business activities.

The Business Compact will be officially launched at the Ukraine Recovery Conference ("URC23") in London on June 21/22.

The URC23 itself will focus on identifying and taking actionable steps to helping Ukraine build back better, as a more resilient, greener, and more prosperous European nation. In particular, the URC23 will place emphasis on the role of the private sector – and the reforms required to drive investment – as essential components of Ukraine's long-term recovery.

We very much hope you will join businesses from across the globe in supporting the Business Compact and invite you to sign by returning the attached PDF.

Yours sincerely

Danae Dholakia,  
Ukraine Recovery Conference Special Envoy
