Who are we?

KPMI (Indonesian Muslim Entrepreneur Community) is a non-profit organization formed in 2010 in Bogor as a common means for its members to explore the straight Islamic creed and Islamic law in doing business.

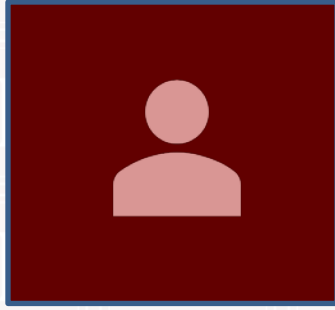

KPMI (Komunitas Pengusaha Muslim Indonesia) adalah organisasi nirlaba yang dibentuk pada tahun 2010 di Bogor sebagai wadah bersama bagi para anggotanya untuk mendalami akidah Islam dan syariat Islam yang lurus dalam berbisnis (bermuammalah).

VISION

To become the foremost association in Indonesia in producing high quality Muslim entrepreneurs both economically and religiously, which in turn will become a strong unit for the benefit of Muslims and advancing the Indonesian economy.

MISSION

1. Unite and foster members in business development in accordance with their authority/functions and applicable statutory provisions in order to achieve success in this world and the hereafter.
2. As the main communication forum for Indonesian Muslim Entrepreneurs to discuss and find solutions to problems faced in running a business, as well as fighting for the interests of members.
3. Advancing the role of Muslim entrepreneurs in contributing to the benefit of Muslims and the progress of Indonesia's national economic.
4. Encourage and help Indonesian Muslim Entrepreneurs to be ready to face globalization and the world's free market.
5. Become a partner of the Government of the Unitary State of the Republic of Indonesia, by providing opinions and suggestions, in order to develop and protect Muslim Entrepreneurs and Consumers in Indonesia
