CALENDAR OF FAIRS AND MANIFESTATIONS IN BOSNIA AND HERZEGOVINA 2026.

Every year, the Foreign Trade Chamber of Bosnia and Herzegovina prepares a "Calendar of Fairs and Events in Bosnia and Herzegovina" which provides a detailed and chronological overview of the most important business events in the country offering in one place all the necessary contacts as an important prerequisite for the direct appearance of potential exhibitors or visitors to a fair, exhibition, conference, congress or other promotional activity. We hope that this Calendar will make an adequate contribution to the promotion of the economic potential of Bosnia and Herzegovina, both on the domestic and international markets, and will strengthen and improve cooperation and promotion of economic activities.

Disclaimer:

Please note that this Fair Calendar was created based on official information provided by organizers of individual fair events, and the Foreign Trade Chamber of Bosnia and Herzegovina does not take responsibility for any changes in the dates of the planned events. If you are interested in a particular event from this Calendar, please be sure to check the updated schedule of the fair directly with the organizer.
